Values By

Describe routine outreach and ask if the patient is willing to quit or reduce the amount they smoke.

Still smoking? Yes No

Are you willing to set a quit date within the next 30 days? Yes No

Intended quit date

If not willing to set a quit date:

Are you willing to reduce the amount you smoke and take a nicotine replacement medication? Yes No

Do not routinely ask this question to the patient. You should only document in this row if the patient specifically asks to be removed from further tobacco cessation care management outreach.
